

Firewall Certification

ICSA Labs is pleased to announce that

US Robotics Corporation

935 National Parkway
Schaumburg, IL 60173

is recognized as having achieved Firewall 4.1 Certification Corporate Category for

USR8200

The USR820, like all products and product groups that are granted ICSA Labs Firewall Certification, will remain certified on this and future released versions of the product for the length of the testing contract. Future versions continue to be certified since the product is continuously deployed in the Network Security Lab and is subject to periodic spot-checks on the most current product version.

Presented this 3rd day of November 2005

Certificate number: 050066R00

Valid through November 1, 2006

George P. Japak, Vice President, ICSA Labs
